**Reports To:** Miguel Rodriguez – Talent Development & Inclusion Strategist  
**Department:** Human Resources  
**Location of Workspace:** Human Resources office**, and occasional off site locations

**SUMMARY OF POSITION:**
Assist the Talent Development & Inclusion Strategist in the advancement of equity work at OMSI while increasing knowledge of and combatting cultural, social, historical, and racial systems of oppression. Engage with both OMSI and non-OMSI community members to identify additional resources and creative methods to incorporate the Equity Action Framework (EAF) into practice and culture.

**EXPERIENCES THIS POSITION WILL PROVIDE:**
- Co-develop and co-facilitate trainings that address inequities by increasing staff awareness e.g. anti-bias, anti-racist, culturally responsive trainings.
- Communicate and actively engage with academic and working professionals to source culturally relevant tools for staff development.
- Assist in the creation, rollout, and maintenance of a database that tracks talent.
- Provide logistical and facilitation support to affinity groups and the OMSI-Empowered Facilitation cohort under the guidance and supervision of the Talent Development & Inclusion Strategist.

**KNOWLEDGE/SKILLS/AbILITIES:**
**What we are looking for:**
- Heavy interest and/or demonstrated commitment to diversity, equity, and inclusiveness (DEI) work and initiatives, regardless of major or career plans.
- Excitement and/or proven track record of working with a small, collaborative, and change-making team.
- Active development of and/or holistic interpersonal, communication, and written skills.

**Training you will receive:**
- Continuous mentoring, shadowing, and goal-setting as it relates to DEI and personal/professional goals.
- Participation in non-confidential meetings with HR team, as it relates to DEI objectives.

**SCHEDULE:**
- General window of time for internship: Monday-Friday, 9am-5pm; depending on specific projects, schedule can be flexible and outside of regular business hours. Total hours must not go over allocated Federal Work-Study Award compensation amount.
