

INTERNSHIP OPPORTUNITY

Position Title: Teen Science Alliance Intern
Reports To: Teen and Adult Engagement Assistant
Manager

Department: Teen & Adult Engagement
Location of Workspace: Education Wing

SUMMARY OF POSITION:

Museum Education interns are in the halls and labs of OMSI where they facilitate hands-on science experiences and inspire museum guests to make amazing connections with science through activities, demonstrations, and informal interactions. Interns assist Museum Education staff in the regular presentation and development of the museum halls and labs.

This summer internship position is for the Teen Science Alliance and reports to the Assistant Manager of Teen and Adult Engagement. The Teen Science Alliance is OMSI's guided volunteering program for 13-18 year olds. It focuses on developing social, communication and problem solving skills with real life context and exposure to a professional climate. Teen volunteers present interactive demonstrations on the museum floor, as well as hone leadership, communication, and workplace skills.

For best consideration, please submit your summer internship application by **April 10, 2019**. Applications submitted after that date will only be reviewed if unfilled positions remain.

EXPERIENCES THIS POSITION WILL PROVIDE:

- Facilitating hands-on demonstrations and training youth to lead demonstrations. Providing constructive criticism and feedback for youth participants.
- Working in a collaborative environment with paid and unpaid staff of a variety of ages, experiences, and backgrounds
- Gain experience mentoring and modeling positive workplace behavior for youth ages 13-18

KNOWLEDGE/SKILLS/ABILITIES:

What we are looking for:

- Strong communication, customer service, and problem-solving skills.
- Self-directed and willing to take initiative.
- Desire and/or ability to present science process and content in an engaging way to a broad age range.
- Present a professional personal appearance.
- Must be dependable, punctual, and willing to commit to a schedule.
- Able to train and supervise youth (ages 13-18) volunteers.

For more information, contact Volunteer Services at 503-797-4615 or
VolunteerServices@omsi.edu.

Visit our website at www.omsi.edu. OMSI is located at
1945 SE Water Ave, Portland, OR 97214

Training you will receive:

- General informal science education philosophies and pedagogy
- Facilitation best practices, including how to facilitate intergenerational communication, frame questions, gauge and respond to guests' social and educational goals, and cultivate learner-driven investigations
- Culturally responsive facilitation strategies
- Museum safety and emergency response
- Techniques for mentoring and engaging teens

SCHEDULE:

- Minimum of 10 hours per week for 7 weeks.
- Must be available from 9am-2pm Tuesdays, plus either/both Thursday and Friday.

LEARNING OUTCOMES:

- Recognizing and promoting of science process skills
- Fostering learner-driven investigations
- Negotiating facilitator and visitor goals for optimal museum experience
- Cultivating reflective facilitation practices
- Supporting culturally responsive facilitation techniques
- Identifying benefits and disadvantages of using different types of objects and models in learning experiences
- Gaining knowledge of museum culture and practices
- Training on mentoring and instructing youth
