Submarine Camp-In: USS Blueback 2016-2017

Experience what it's like to live on a submarine, explore the torpedo room, peer through a periscope, and sleep in the crew's quarters. Learn about density and buoyancy as you explore how submarines are designed to dive and surface. Sleep aboard the USS Blueback, a retired U.S. Navy submarine.

Your Submarine Camp-In includes dinner, hands-on activities, a planetarium show, snack, continental breakfast, and museum admission the following day.

Available for grades 3-12 (all participants must be at least 7 years old)
