

Native Origins

Match Game

Many of the common foods we eat, medications we take, and products we use were first recognized and used by indigenous people.

Match items traditionally used by indigenous people with images of items in use today.

Directions:

1. Spread the blue cards out picture-side up.
2. Stack the green cards into one pile picture side-up.
3. Pick-up and read the first green card.
4. Look over the blue cards and place the green card next to the card you think is the correct match.
5. Repeat these steps until all green cards have been matched with a blue card.
6. Turn over the blue cards and read the descriptions on the back to reveal if the matches are correct. Each match will have a corresponding number to confirm the correct choice.
7. Discuss your findings with a neighbor.

Can you think of other important contributions discovered by indigenous communities?
