

President's Circle

Your support will help spark an interest in science for over one million children and families per year through OMSI's unique exhibits, events, labs, and programs – experiences improve creativity, critical thinking, and inventiveness skills that prepare children for bright futures. Learn more about how our President's Circle can benefit you and our community. Contact our Development Office at 503.797.4540 or donate@omsi.edu.
