

# SciComm Fellowship

Oregon State University  
College of Science

Are you a STEAM professional with passion for sharing your work with others? Apply to become a SciComm Fellow with OMSI, the Oregon Museum of Science and Industry!

## OMSI SciComm Fellows...

- Build skill and confidence as science communicators.
- Participate in four professional development workshops focused on identifying and practicing strategies for effective communication and engagement.
- Collaborate with OMSI staff to develop a unique, hands-on activity inspired by your work in STEAM.
- Engage with members of the public through events at OMSI and around the region.

## Spring 2025 Cohort

Co-sponsored by OSU College of Science, this program is open to STEAM experts from any field, including grad students, faculty, researchers, or industry professionals.

Cost for the workshop series is \$2,000. Fee reductions may be offered, based on need and merit.

## Program Dates

- Weds Jan 29, 2-5pm @ OSU
- Weds Feb 26, 2-5pm @ OSU
- Weds Mar 19, 2-5pm @ OSU
- Sat Apr 19, 1-5pm @ OMSI
