

OMSI Social Media and Online Policy

Updated 12/4/2024

The Oregon Museum of Science and Industry is committed to fostering safe, inclusive, and welcoming environments for all staff, volunteers, museum visitors, and program participants both in our physical spaces and across OMSI's online presence.

We enjoy hearing from you, and to ensure that everyone has a positive experience, here are our guidelines for our social media community:

Be Respectful

OMSI is committed to creating a safe and inclusive environment for all communities, both in person and on our social media and online platforms. We uphold a zero-tolerance policy for any content that is hateful, defamatory, obscene, discriminatory, or harassing.

Content that includes abusive, vulgar, offensive, racist, threatening, or harassing language; personal attacks; offensive terms targeting specific individuals or groups; or sexually explicit material will be removed. This includes, but is not limited to, targeting individuals or groups based on race, color, national origin, gender, gender identity or expression, sexual orientation, age, body size, disability, appearance, religion, citizenship, pregnancy, marital or familial status, or military or veteran status.

Such behavior will result in the removal of the content and may lead to banning or blocking the individual responsible.

Protect Privacy

Avoid posting any personal information. Any posts that include an email address, phone number, address, or other personal information will be removed.

Stay on Topic

Please keep comments relevant to the original post. Content that is clearly off-topic may be removed. Additionally, we do not allow spam, promotional material, or content promoting unrelated services or products, political campaigns, legal, medical, or financial advice, or lobbying efforts. Such content will be removed.

Individuals who violate these rules may be blocked. If you have experienced or observed any violations of this agreement, or have any concerns, please contact the Marketing department at marketingr@omsi.edu or contact OMSI Concierge at 503-797-4000 or concierge@omsi.edu.

Thank you for helping us create a positive and engaging social media and online community! We encourage you to share your questions, ideas, and excitement about science and learning. Together, we can keep OMSI's online spaces inspiring, respectful, and fun for everyone.
