

Career Pathways Program

The Career Pathways program is a year-long college and career readiness initiative for teens ages 16–19, hosted at the Best Buy Teen Tech Center at OMSI. Participants will:

- Explore careers in STEAM industries
- Receive mentorship and coaching to discover strengths and career interests
- Build entry-level technical skills in digital media (film production, photography, photo/video editing, graphic design)
- Learn key life and professional skills like communication and financial literacy
- Apply new skills through team and individual project-based learning
- Become eligible for paid summer internships upon successful completion of the program

Requirements:

- Commit to the full year-long program
- Attend weekly sessions every Saturday from 10 am – 3:30 pm
- Be between 16–19 years old
- Complete the online Google Form application

Important Dates:

- Applications open: September 1, 2025
- Application deadline: September 26, 2025
- Notification of acceptance: By October 2, 2025
- Mandatory Kick-off Session: October 4, 2025
