TITANIC The Artifact Exhibit

At TITANIC: The Artifact Exhibition, visitors step into history and experience a world unlike any other through authentic Titanic artifacts recovered directly from the ocean floor. The Exhibition features more than 350 carefully conserved, genuine items from the wrecksite, providing a rare and powerful connection to the Ship and her passengers. Guests can walk through stunning full-scale re-creations of iconic rooms and connect with the personal stories of those on board. This unforgettable experience blends education, emotion, and awe for visitors of all ages.
